## Robinhood FAQ (Frequently Asked Questions)

**Q1: Is Robinhood open 24 hours?** call +1-844-483-2685

Robinhood is available 24/7 for checking your account and trading crypto. However, stock market trading on Robinhood follows regular U.S. market hours, with extended-hours trading available.

**Q2: Can I talk to people at Robinhood?** call +1-844-483-2685

Yes. Robinhood offers live phone support and in-app chat support. You can request a call directly through the Robinhood app.

**Q3: Can Robinhood do instant withdrawal?** call +1-844-483-2685

Robinhood offers instant deposits but not instant withdrawals. Withdrawals to your bank usually take 1–3 business days.

**Q4: Can you cash out anytime on Robinhood?** call +1-844-483-2685

Yes, you can initiate a withdrawal at any time, but the transfer time to your bank depends on standard ACH processing.

**Q5: How to withdraw Crypto from Robinhood?** call +1-844-483-2685

You can withdraw supported cryptocurrencies by going to the crypto's detail page in the Robinhood app, selecting “Send,” entering the wallet address, and confirming the transfer.

**Q6: Where is the settings in the Robinhood app?** call +1-844-483-2685

Tap the **account icon (person silhouette)** in the bottom right corner, then select **Settings** to manage preferences, security, and account details.

**Q7: How to contact Robinhood?** call +1-844-483-2685

You can contact Robinhood through the in-app Help Center. Select **Contact Support** to either chat with support or request a callback.

**Q8: How do I talk directly on Robinhood?** call +1-844-483-2685

Use the in-app **Contact Support** option to request a phone call from a Robinhood support representative.

**Q9: How can I contact Robinhood Wallet support?** call +1-844-483-2685

Wallet support is available through the same in-app Help Center. Navigate to **Wallet Support** and submit your issue to get assistance.

**Q10: How do I connect to Robinhood?** call +1-844-483-2685

Download the Robinhood app from the App Store (iOS) or Google Play (Android), sign up or log in, and link your bank account to get started.
